

**LET'S TAKE  
COLLECTIVE  
RESPONSIBILITY**

# **STAY AT HOME, STAY SAFE & STAY HEALTHY**

The COVID-19 (coronavirus) has been declared a global pandemic and in South Africa it has resulted in a nationwide 21-day lockdown (27 March – 16 April) to prevent the virus from spreading and protecting the health of our people.

We are now into a full week since the lockdown and I am hoping that you are all playing your part to ensure the safety of your community. I appeal to each of you to take responsibility and stay at home, adhere to the rules, and protect your family.

I know it is a difficult time for all of us, but we have to make every effort and work together, to overcome this pandemic.

I urge all families that live at Waterkloof Hills Estate, to follow the general rules we have outlined in this flyer, to ensure your safety and the safety of all residents living on this Estate.

Thank you for your support! Let's work together to fight the COVID-19 pandemic!

*Lesedi Modisane - Waterkloof Hills Estate Manager*

*NB. The lockdown is legislated under the Disaster Management Act and any breach is a criminal offence.*
