

ACT RESPONSIBLY!

RAPID INCREASE IN COVID-19 INFECTIONS LEVEL 4 LOCKDOWN!

- New COVID-19 Delta variant is spreading quickly.
- It is more transmissible and more contagious.
- Prevent the spread by reducing social contact, wearing a face mask and sanitizing or washing your hands regularly!

COVID-19 SCREENING

STRICT COVID-19 SCREENING

- **Daily COVID-19 health screening** - before coming to work
- **If you are sick and have even mild COVID-19 symptoms** - you must isolate yourself, including from your immediate household
- **If you have been exposed to someone infected with COVID-19** - you have to quarantine for ten days
- **If you test positive** - notify the people you have come into contact with so they can protect themselves and others.

ADJUSTED ALERT LEVEL 4 LOCKDOWN

- Curfew from 9pm to 4am
- No sale of alcohol
- No night vigils, after-funeral or 'after-tears' gatherings
- No gatherings in public spaces, such as beaches and parks
