

RBPLAT COVID-19 VACCINATION CLINIC

VACCINES ARE SAFE!

- Vaccines used are safe and have been tested and approved by the South African Health Products Regulatory Authority (SAHPRA)
- The RBPlat Vaccination Clinic will be managed jointly by RBPlat and Platinum Health
- All the Clinic staff have been trained and certified as COVID-19 vaccinators.

- Employees' data will be captured on the government Electronic Vaccination Data System (EVDS) after completing the consent forms
- Vaccinations will be scheduled in line with government approved age categories
- Your HR Coordinator will inform you of the date for your vaccination
- We will transport you to and from your workplace to the Maseve Vaccination Clinic
- Once vaccinated, you will also receive a date for the second dose of your vaccine
- The COVID-19 vaccine will be paid for by your medical aid
- RBPlat will pay for the vaccination of permanent contractors that are not on any medical aid.

WHO CAN VACCINATE?

For now, only RBPlat enrolled employees and permanent contractors will be eligible for the COVID-19 vaccine, at our Vaccination Clinic.

For more information contact your HR Coordinator or the BRPM Clinic.
